Team Builders Program- Build Days for Sponsors

Team Builders is a program designed especially for groups to come together for a day of team building and home building with Habitat for Humanity. The combination of volunteer hours and a financial donation doubles your group's impact toward our mission of providing affordable homeownership opportunities in Carroll County.

By the end of a Team Builders day, your group will be connected with each other and with the community in a truly unique way. The satisfaction that comes from working with your hands will leave your group motivated and exhilarated.

Team Builders Build Day Your donation includes:

- A day of working on a Habitat for Humanity house
- Homebuyers often work alongside volunteer teams
- Most Build Days are on Saturdays; shifts are 8:00 am to 3:00 pm
- We provide the tools, training and lunch!
