Habitat for Humanity® of Carroll County

SOCIAL MEDIA & MARKETING INTERNS WANTED

Current Internship Opportunity:

Social Media and Marketing

Nature and Scope of Position:

The student intern will be a member of the Habitat for Humanity of Carroll County staff and will work directly with staff and volunteers. HFHCC is a primarily volunteer-based organization providing interns with the opportunity to be creative and successful and gain on-the-job training that will assist them in their future career search. This is an unpaid internship but a great resume builder for a dedicated intern. High School and College students may apply.

Specific Duties and Responsibilities:

- Analyze current social media and implement changes to improve social media marketing
- Assist with planning and implementing fundraising.
- Help with event coordination and other communications activities

Internship Requirements:

- Must be highly organized, and detail-oriented with exceptional writing and multi-tasking skills
- Ability to take good pictures and/or videos
- Proficient with Microsoft products and familiar with Canva and other visual software
- Familiar with Social Media platforms including Facebook, Instagram, and TikTok
- Outgoing personality, comfortable representing HFHCC/ReStore in the community
- Ability to meet deadlines
- Successfully pass a background investigation
- Available for a semester or summer term (8-12 weeks/minimum of 10 hours a week)

Application Deadline: Rolling Admissions: Applications reviewed upon receipt. Apply early!
